Sun Yat-Sen

Introduction

Sun Yat-Sen never had a political party he could control or direct. Neither a brilliant strategist nor a profound ideologist, he made ten attempts of revolution in Canton and failed in every one of them.

Yet-Sun is known as the Father of the Chinese Revolution and his memory is exalted

Sun was a dedicated Nationalist whose remarkable career spanned the thirty years of China's nationalist revolution (from 1895 to 1925): from the Sino-Japanese War and the Boxer Rebellion, through the decline of the Manchu dynasty and the anarchy of the Warlord era, to the rise of the Kuomintang and the birth of the Chinese Communist Party

This collection contains a number of accessible biographies and concentrates on Sun's place in the political & historical turmoil of China in the late 19th to the early 20th century
