

Irish Life & Lore Collection

A Collection of Irish Folklore & Storytelling

From dolmens to lighthouses, from thatching to matchmaking and from copper mines to steam trains, this compilation of 120 CD's marks a vital milestone in the preservation of a unique folklore treasure in the southwest of Ireland.

Maurice O'Keeffe with thirty years experience in the antiques business in Tralee, Co. Kerry has over a number of years painstakingly and lovingly recorded for posterity the rich oral heritage of the province.

These recordings many of which have been heard locally on Radio Kerry and Clare F.M. represent for future generations and unrivalled chronicle of the rich, cultural, musical and spiritual lives of a people.

Collection Includes:

- Š 120 recordings on CD each approximately of one hours duration
- Š Illustrated catalogue in hardback format includes brief synopsis of each recording
- Š With index, glossary and map of locations.
