Among the subjects covered are linear programming; the theory of two-person games; static and dynamic theory of linear exchange models including problems of equilibrium prices and dynamic stability; and methods of play, optimal strategies, and solutions of matrix games". Indexed with a bibliography and charts. **Order No. 176728/FJ2B.** €25.00

- GAMBS, JOHN S. Beyond Supply And Demand.** A Reappraisal of Institutional Economics. Columbia University Press, New York, 1947. second printing. Good copy in a dulled and edge torn dw. 105pp. 8vo. "This book is the first to appraise the work of Thorstein Veblen and his followers, including Wesley Mitchell, against the background of current problems. It examines industrial economics in the light of today's urgencies and attempts to find out what is useful and what is not useful in the genral principles, methodology, and psychology of Veblen and those inspired by him. Without discrediting the need for prompt action, the author believes it is today vitally important to raise issues and to reconsider basic assumptions - that is, to prepare for rational action". Indexed with a bibliography. **Order No. 177249/FJ2B.** €24.00
- GAMBS, JOHN S. & WERTIMER JR., SIDNEY. Economics And Man.** The Irwin Series in Economics. Richard D. Irwin, Illinois, 1959. Second printing. Near fine copy in the original edge rubbed green cloth. Text bright in a strong binding. 353pp. 8vo. Indexed with charts. **Order No. 176874/FJ2B.** €21.00
