## Introduction

The Third Reich is the official designation for the Nazi Party's regime in Germany from January 1933 to May 1945. The name reflects Adolf Hitler's conception of his expansionist regime, which he predicted would last 1,000 years, as the presumed successor of the Holy Roman Empire (800-1806, the First Reich) and the German empire under the Hohenzollern dynasty (1871-1918, the Second Reich).
