

**177965~REPORT OF THE FIFTY-SECOND MEETING OF THE BRITISH~Association
for the Advancement of Science; Held at Southampton in August 1882: ~London: John
Murray. 1883. ~Objects and Rules of the Association Code KRFSMB**

The Association contemplates no interference with the ground occupied by other institutions. Its objects are; To give a stronger impulse and a more systematic direction to scientific inquiry, to promote the intercourse of those who cultivate Science in different parts of the British Empire, with one another and with foreign philosophers, to obtain a more general attention to the objects of Science, and a removal of any disadvantages of a public kind which impede its progress

Each Volume Contains;

Scholarly reports & researches in Science
Notes & Abstracts on Mathematic & Physics, Chemistry, Geology, Biology, Geography,
Ethnology, Economic Science, Statistics & Mechanical Science
