**UNITED NATIONS GENERAL ASSEMBLY. Report of the United Nations Conference in Trade and Development.** United Nations, 1964. First edition. Strong clean tight copies in original wrappers. 4to. The United Nations Conference on Trade & Development was convened in Geneva from 23 March to 15 June 1964 in accordance with resolution 917 of the General Assembly. It was the biggest and longest conference ever convened to work out guidelines for international trade, involving countries of varying economies, ideologies, and degrees of development. It established machinery that was aimed to provide an historic turning point for ending age-old economic and racial divisions in the world. This selection of United Nations papers includes the mass of documentation, speeches, debates, negotiations, plenary session report, resolutions, recommendations and press releases for June 3 to June 16. it includes the text of the "Final Act" adopted by the conference on June 16th.

Also included in the Report of the Secretary-General of the United Nations General Assembly from 8th December 1964, which discusses the administrative and financial implications of the Final Act in relation to the institutional machinery of the United Nations.
