The Works Of Rabindranath Tagore

Introduction

Rabindranath Tagore is considered to be the greatest philosopher-poet and prophet-seer of modern India. His interests were as varied as his output was prolific, being a mystical poet, dramatist, essayist, novelist, composer & songwriter, and educationalist (he founded the famous school & university of Santiniketan). He was awarded the Nobel Prize for Literature in 1914.

He also had a considerable independent influence in the politics of the day and was highly regarded as a thinker, teacher, and reformer.

He left behind a body of work that includes more than 1,000 poems and 2,000 songs. This collection includes many 1st U.K. editions of his literary & aesthetic creations.
